FACTS

9. On or about Friday, December 23, 2016 at approximately 7:30 p.m., Mr. Jones was driving his Toyota Solara on Coleman Road in City of Anniston, Calhoun County, Alabama. His wife, Kimberly Jones, was riding as a passenger.

10. At approximately the same time, Mr. Caton was operating a tractor-trailer (hereinafter “subject tractor-trailer”) on Henry Road in City of Anniston, Calhoun County, Alabama. The particular stretch of Henry Road on which, Mr. Caton was traveling consisted of a long, steep downgrade.

11. At the aforesaid time, Mr. Caton was an employee of PRIME and was operating the subject tractor-trailer while on-the-job, in the line and scope of his employment for PRIME. Specifically, Mr. Caton was in the process of transporting goods from Tyson Foods in Albertville, Alabama to Orlando, Florida. PRIME had therefore entrusted the subject tractor-trailer to Mr. Caton.

12. At the aforesaid time, the traffic light controlling Mr. Jones’s lane of travel was green; the light controlling Mr. Caton’s lane of travel was red.

13. As Mr. Jones entered into the intersection in an attempt to turn left onto Henry Road, the subject tractor-trailer driven by Mr. Caton failed to stop at the red light and unlawfully entered into the intersection.

14. Upon information and belief, Mr. Caton claims that the brakes on the subject tractor-trailer failed, preventing him from being able to stop at the red light.

15. Mr. Jones was not alerted to the presence of the approaching tractor-trailer in time to avoid it. It therefore collided forcefully with the driver’s side of Mr. Jones’s vehicle.

16. As a proximate consequence of PRIME, Mr. Caton, and/or Fictitious Defendants’ acts and/or omissions, Billy Ray Jones suffered fatal injuries and perished on December 23, 2016.

COUNT ONE – NEGLIGENCE

17. Plaintiff re-alleges all preceding paragraphs of the Complaint as if fully set forth herein.

18. At the aforesaid time and place, Mr. Caton and/or one or more of the Fictitious Defendants listed and described in the caption hereinabove, negligently caused and/or allowed the subject tractor-trailer to enter into the intersection and collide with Mr. Jones's vehicle, as aforesaid.

19. Specifically, Mr. Caton owed Mr. Jones the duty to exercise due care and act reasonably, especially when driving a tractor-trailer down a long, steep downgrade. Mr. Caton owed Mr. Jones the duty to use proper braking techniques, including the use of the braking effect of the engine, and prevent the brakes from becoming too "hot."

20. Mr. Caton breached the duties that he owed to Mr. Jones by failing to operate the subject tractor-trailer at a safe and prudent speed given the circumstances, failing to account for the steepness and length of the downgrade and failing to use proper braking techniques to control the subject tractor-trailer's speed while traveling downgrade.

21. Alternatively, Mr. Caton breached the duties that he owed to Mr. Jones when he either knew, or should have known through the exercise of due care, that the subject tractor-trailer's brakes were out of service and/or needed replacement or repair, yet drove it on the public highway anyway.

22. Additionally, Mr. Caton owed Mr. Jones a duty to adhere to the following Rules of the Road:

Obedience to traffic-control devices; devices presumed to comply with requirements.

- (a) The driver of any vehicle shall obey the instructions of any official traffic-control device applicable thereto placed in accordance with law, unless otherwise directed by a police officer, subject to the exceptions granted the driver of an authorized emergency vehicle in this chapter.

Ala. Code §32-5A-31 (1975).

Traffic-control signal legend.

- (3) Steady red indication:

a. Vehicular traffic facing a steady circular red signal alone shall stop at a clearly marked stop line .

Ala. Code §32-5A-32 (1975).

23. Mr. Caton breached the duties that he owed to Mr. Jones when he failed to obey a traffic signal and allowed the subject tractor-trailer to unlawfully enter into an intersection on a red light, causing a collision. He also breached the duties that he owed to Mr. Jones when he failed to keep a proper lookout, failed to yield the right-of-way to him and failed to avoid him.

24. Mr. Caton's negligent conduct was a proximate cause of Mr. Jones's demise and Plaintiff's resulting damages described above, herein.

WHEREFORE, PREMISES CONSIDERED, Plaintiff demands judgment against Defendants New Prime, Inc. d/b/a "Prime, Inc.," Wesner Caton and/or fictitious party Defendants listed and described in the caption hereinabove, for all damages recoverable under Alabama's Wrongful Death Statute, to wit, Ala. Mr. Caton also made the conscious decision to enter into the intersection while the light controlling his path of travel was red, with a total disregard for the safety of those that may be lawfully crossing the intersection.

27. Alternatively, Mr. Caton, a professional driver, made the conscious decision to drive the subject tractor-trailer with out-of-service, faulty and unreliable brakes with a total disregard for the safety of others.

the State of Alabama, for use by the general public for profit. FleetPride, Inc. designed, manufactured, assembled, tested, inspected, marketed, imported, distributed, and/or sold the subject blue service brake coil air line.

47. At the time Billy Ray Jones was killed, there was no unforeseeable substantial change to the blue service brake coil air line from the time it left the possession of the FleetPride, Inc. until it reached New Prime, Inc., and/or Wesner Caton, the ultimate user or consumer. To the contrary, the blue service brake coil air line was in substantially the same condition when New Prime, Inc. and/or Wesner Caton used it as when it left the possession of the Defendants.

48. The blue service brake coil air line was not reasonably safe when used in a foreseeable manner. To the contrary, it was in a defective and unreasonably dangerous condition to the human body when being so used.

49. Specifically, the blue service brake coil air line's defects allowed a hole to develop in the air line, which resulted in loss of air to the braking system compromising its ability to efficiently apply adequate brakes to the trailer.

50. New Prime, Inc., and/or Wesner CAton used the blue service brake coil air line in a way that was foreseeable to FleetPride, Inc. The manner in which Billy Ray Jones was injured was also foreseeable to FleetPride.

WHEREFORE, PREMISES CONSIDERED, Julia Harley Brooks, as Personal Representative for the Estate of Billy Ray Jones, deceased, makes a request for a verdict against

Wesner Caton, New Prime, Inc., d/b/a Prime, Inc., TA Operating, LLC d/b/a TravelCenters of America, and FleetPride, Inc. in an amount sufficient to punish the defendant, protect the public and prevent similar wrongs in the future, and for all damages recoverable under Alabama's Wrongful Death Statute. FleetPride, Inc., and/or their employees negligently designed, manufactured, tested, inspected, assembled, imported, marketed, distributed, and sold the blue service brake coil air line for the reasons stated in paragraphs 39 thru 42 above. FleetPride, Inc. knew, or in the exercise of reasonable care should have known, that the blue service brake coil air line was defective and unreasonably dangerous. FleetPride also negligently failed to adequately warn users of the defects stated above and also negligently failed to adequately instruct users as to the dangers of holes in the air line. FleetPride also acted negligently in other ways.

55. All of the foregoing negligent conduct of FleetPride combined and concurred with the actions of the other defendants and contributed to cause the death of Billy Ray Jones.

Further, Plaintiff requests that the Court enter judgment consistent with the verdict.

COUNT ELEVEN – WANTONNESS AGAINST FLEETPRIDE, INC.

57. This count is brought against FleetPride Inc. pursuant to the Alabama common law tort of wantonness.

FleetPride, Inc. and/or their employees wantonly designed, manufactured, tested, inspected, assembled, imported, marketed, distributed, and sold the blue service brake coil air line for the reasons stated in paragraphs 39 thru 46 above. FleetPride Inc. also wantonly failed to adequately warn users of the defects stated above and also negligently failed to adequately instruct users the dangers of a hole in the blue service brake coil air line. Further, Plaintiff requests that the Court enter judgment consistent with the verdict.

**COUNT TWELVE – BREACH OF IMPLIED WARRANTY CLAIMS AGAINST
TA OPERATING, LLC AND FLEETPRIDE, INC.**

62. This count is brought against pursuant to Ala. Code § 7-2-314.

63. FleetPride Inc. and TA impliedly warranted that the blue service brake coil air line was reasonably fit and suitable for the purposes for which it was intended to be used, was free of defects, and was of merchantable quality. The Defendants breached said warranties because of the reasons set-forth in paragraphs 39 thru 51 above and because the blue service brake coil air line was not reasonably fit or suitable for the purposes for which it was intended to be used.

64. The breach of warranty combined and concurred with the actions of the other defendants and contributed to cause of the personal injuries suffered by Billy Ray Jones and his resultant death. He suffered physical pain and suffering and mental anguish before his death. His estate also suffered a loss of Decedent's future earning capacity. As personal representative of his estate, Plaintiff seeks the compensatory damages that Billy Ray Jones could have recovered if he had not died, and the compensatory damages suffered by his estate.

WHEREFORE, PREMISES CONSIDERED, Julia Harley Brooks, as Personal Representative for the Estate of Billy Ray Jones, deceased, requests an award of compensatory damages against FleetPride, Inc. and TA in an amount determined by a jury, together with interest, costs, and all other relief which, may be just and proper.
